

Navigating your health just got easier.

Our Care Navigation tool helps employees quickly and easily access the services and resources that address their specific care needs.

Help your employees get the right care. Anytime, anywhere.

Integrated into GreenShield+, our Care Navigation tool is designed to help simplify your employees' healthcare experience. It allows members to easily find, access and engage with GreenShield Health services and resources based on their preferences and care needs.

What makes our approach to well-being unique?

We recognize that members' preferences, coverage and care needs vary, making it challenging to find the right services and resources. Our Care Navigation tool helps simplify the process, guiding your employees to the right place. The intuitive tool seamlessly integrates personalized recommendations with member coverage, enabling employees to make informed health decisions and maximize their benefits.

Features and benefits include:

- Personalized care recommendations
- Seamless navigation of services and resources across GreenShield+
- Self-serve navigation and Chatbot assistance
- 1:1 professional support by chat or phone
