

Highlights of the December 6, 2024, Trustees' Meeting

1. PLAN DESIGN – SECOND READING

- The ASEBP Trustees recognize the importance of supporting the health journey of the publicly funded K-12 education sector in Alberta. The Trustees are constantly striving to provide value and make balanced decisions about plan benefits and the cost of investing in the current and future health of covered members.
- The ASEBP Trustees gave **final approval** (second reading) to Extended Health Care changes for the MyRetiree Plan. The following changes affect the **emergency travel benefit of Extended Health Care** for the **MyRetiree Plan** effective **January 1, 2025** and will **not** impact premium rates.
 - The stability clause limitations will be removed from the MyRetiree Plan Out-of-Province Emergency Travel Benefit.
 - The MyRetiree Plan Out-of-Province Emergency Travel Benefit will be included on the Core Retiree 85 and Older Plan and the Enhanced Retiree 85 and Older Plan.
- In addition to the changes above, the ASEBP Trustees also approved a **six-month open enrolment period for the MyRetiree Plan, to run from January 1, 2025, to June 30, 2025**. This open enrolment period will allow covered members that left the Plan due to the stability clause or age limitations to return without penalty, as well as encourage other retirees to consider joining the MyRetiree Plan.

ASEBP Trustees' Report

The ASEBP Trustees' Report provides an overview of topics discussed at all ASEBP Trustees' Meetings. These meetings provide the opportunity for ASEBP Trustees to come together to discuss matters of importance at ASEBP—from the financial health of the benefit plan to the introduction of new benefits and programs. While all information in each report is an accurate account of decisions made at the meetings, there can be changes that occur between first and second readings of certain topics, which may result in differences between their reporting.
